1 [The evolution of Coda](#)

M. Saityanarayanan

May 2002 Transactions on Computer Systems (TOCS) , Volume 20 Issue 2

Publisher: ACM

Full text available: Pdf (441.35 KB) Additional Information: [full citation](#), [abstract](#), [references](#), [cite](#)

Bibliometrics: Downloads (6 Weeks): 16, Downloads (12 Months): 210, Citation Count: 17

Failure-resilient, scalable, and secure read-write access to shared information by m users over wireless and wired networks is a fundamental computing challenge. In t describe how the Coda file system has evolved to meet ...

Keyw ords: Adaptation, Linux, UNIX, Windows, caching, conflict resolution, continu data staging, disaster recovery, disconnected operation, failure, high availability, h intermittent networks, isolation-only transactions, low-bandwidth networks, mobile optimistic replica control, server replication, translucent cache management, weakl operation

2 [Communications of the ACM: Volume 51 Issue 3](#)

March 2008 Communications of the ACM

Publisher: ACM

Full text available: Digital Edition , Pdf (7.56 MB) Additional Information: [full citation](#)

Bibliometrics: Downloads (6 Weeks): 413, Downloads (12 Months): 1373, Citation Count:

3 [Formalising Java RMI with explicit code mobility](#)

Alexander Ahern, Nobuko Yoshida

October 2005 OOPSLA '05: Proceedings of the 20th annual ACM SIGPLAN conference oriented programming, systems, languages, and applications

Publisher: ACM

Full text available: Pdf (293.03 KB) Additional Information: [full citation](#), [abstract](#), [references](#), [indi](#)

Bibliometrics: Downloads (6 Weeks): 5, Downloads (12 Months): 103, Citation Count: 1

This paper presents a Java-like core language with primitives for object-oriented di explicit code mobility. We apply our formulation to prove the correctness of several distributed programs. Our language captures crucial ...

Keyw ords: Java, RMI, code mobility, distribution, optimisation, runtime, types

Attestation-based policy enforcement for remote access

Reiner Sailer, Trent Jaeger, Xiaolan Zhang, Leendert van Doorn

October 2004 CCS '04: Proceedings of the 11th ACM conference on Computer and communications security

Publisher: ACM

Full text available: Pdf (261.52 KB)

Additional Information: [full citation](#), [abstract](#), [references](#), [cite](#)

Bibliometrics: Downloads (6 Weeks): 41, Downloads (12 Months): 248, Citation Count: 13

Intranet access has become an essential function for corporate users. At the same corporation's security administrators have little ability to control access to corporate resources released to remote clients. At present, no confidentiality ...

Keywords: remote access, security management, trusted computing

5 Fast and secure distributed read-only file system

Kevin Fu, M. Frans Kaashoek, David Mazieres

February 2002 Transactions on Computer Systems (TOCS), Volume 20 Issue 1

Publisher: ACM

Full text available: Pdf (317.54 KB)

Additional Information: [full citation](#), [abstract](#), [references](#), [cite](#)

Bibliometrics: Downloads (6 Weeks): 20, Downloads (12 Months): 210, Citation Count: 15

Internet users increasingly rely on publicly available data for everything from software investment decisions. Unfortunately, the vast majority of public content on the Internet has no integrity or authenticity guarantees. This ...

Keywords: File systems, read-only, security

6 YouServ: a web-hosting and content sharing tool for the masses

Roberto J. Bayardo Jr., Rakesh Agrawal, Daniel Gruhl, Amit Soman

May 2002 WWW '02: Proceedings of the 11th international conference on World Wide Web

Publisher: ACM

Full text available: Pdf (238.48 KB)

Additional Information: [full citation](#), [abstract](#), [references](#), [cite](#)

Bibliometrics: Downloads (6 Weeks): 9, Downloads (12 Months): 55, Citation Count: 7

YouServ is a system that allows its users to pool existing desktop computing resources for *availability* web hosting and file sharing. By exploiting standard web and internet protocols (HTTP and DNS), YouServ does not require those who ...

Keywords: decentralized systems, p2p, peer-to-peer networks, web hosting

7 Modeling and simulation of mixed traffic on a prioritized shared medium

Jeffrey J. Evans, Cynthia S. Hood

January 2003 International Journal of Network Management, Volume 13 Issue 1

Publisher: John Wiley & Sons, Inc.

Full text available: Pdf (330.18 KB)

Additional Information: [full citation](#), [abstract](#), [references](#), [cite](#)

Bibliometrics: Downloads (6 Weeks): 2, Downloads (12 Months): 51, Citation Count: 1

Network access systems (NAS) such as digital loop carriers (DLC) are increasingly being used as a medium, such as Hybrid Fiber Coax (HFC) to provide point-to-multi-point access from a switched telephone network (PSTN) to the end user (consumer). ...

Intelligent knowledge discovery in peer-to-peer file sharing

Yugyung Lee, Changgyu Oh, Eun Kyo Park

November 2002 CI KM '02: Proceedings of the eleventh international conference on Intelligent knowledge management

Publisher: ACM

Full text available: Pdf (381.17 KB)

[Additional Information: full citation, abstract, references, index](#)

Bibliometrics: Downloads (6 Weeks): 10, Downloads (12 Months): 52, Citation Count: 0

Emerging peer-to-peer computing provides new possibilities but also challenges for applications. Despite their significant potential, current peer-to-peer networks lack knowledge discovery and management. This paper addresses this ...
